### NEWMC Participation Statement:

North East Wales Mountaineering Club welcomes all new members, whether you are a beginner or already highly experienced. The Club tries to create opportunities for members to improve their experience at all levels. Whatever the activity, members are expected to be responsible for their own safety, and to contribute to the safety of others. If you are new to an activity, you are asked to gain experience in stages; to learn appropriate skills, and to understand any risks involved. This is because the Club is an association of friends rather than a training organisation or a commercial "adventure-provider". For these reasons, some of our more "serious" trips may only be suitable for people with a certain amount of previous experience, and those for whom the trip may be a "next step". You should check with the event organiser for more details and suitability.

MEMBERS SHOULD ALSO READ AND UNDERSTAND THE BMC PARTICIPATION STATEMENT AVAILABLE AT: [www.thebmc.co.uk](http://www.thebmc.co.uk)
